From the Historic Wings Online Newsletter:

MACHSEARCH.com - Aviation Search Engine
MACHSeach.com, the aviation search engine of Historic Wings, has expanded rapidly. Hundreds of sites are already indexed, and those of you who are in the database will soon be receiving your codes to your very own search engine on the page. MACHSearch.com engine combines the best features of a Yahoo!-like category directory with the added bonus of a page-by-page search of content, as you would find at an AltaVista or Lycos. However, unlike these other search engines, MACHSearch.com is strictly limited to aviation and aerospace sites. Take a look and let us know your thoughts!

And if you run a website, please be sure you get yourself listed! It is easy, just go to:

<http://www.machsearch.com/addasite.html>

The subheadings that are still in need of content include:

- Women and WASPs
 - FBOs and Flight Training
 - Ultralights and Microlights
 - Aircraft Sales
 - Veterans Reunions
 - Flight Clubs
 - Aviation Art
 - Aviation for Kids
 - Maintenance
- and a few others.

You will already find extensive content in the Aviation Adventure section, Museums, History, Publications, Aerobatics and Air Shows.... In all, there are 51 categories listed.
