> South Base.

It's certainly gone now, so they probably didn't drag it back up after  
you left, either. Oh, well, I was so busy looking at the F-22 spin  
chute I probably just thought it was there at 1730. Another enticement  
for the AFFTC Friday morning tours. I'll have to tell Dennis that he'd  
better write up a good spiel about it.
