Some Burma Shave - type doggerel signs for your protest:

---

Sell the highway / to Hollywood shmucks? / Sell out the state / for  
movie bucks? / Nevada says / Independence Day Sucks!

---

Jet engine flares / and airplane strobes / prove too much / for your  
frontal lobes? / They've sold us out / we're sitting ducks / it's all  
just hype / and the movie sucks!

---

Pack a snakebite kit / and some cash for bail / go near the base /  
they'll throw you in jail / The Alien Highway / a tourist show? / It's  
not so safe / and the movie blows!

---

We've got unemployment / and nuclear trash / but the governor's looking  
/ for Hollywood cash / Deal with Nevada? / Where the atoms went smash? /  
He'd rather line pockets / in a crazed PR dash!

---

The election is coming / and the aliens won't show / what the governor's  
hiding / and the tourists don't know: / They don't give out water / or  
even a map / and the worst of it is / the movie is crap!

---

The Base is a secret / till you step on the line / then they will jail  
you / or charge you a fine / Bring in more tourists? / Take all their  
cash? / Or pay seven bucks / For two hours trash!
