## Past Public Hikes Archive (Through 1996)

This is the older hikes page. See [Index Page](#) for more recent hikes and outings.

These are records of various hikes sponsored by the Area 51 Research Center in the past. **These hikes have taken place already.** The instructions are preserved here only for reference.

### 1996 Hikes & Expeditions

*Latest first...*

- **Nov. 23:** Tikaboo Hike. *No snow, but very cold at top. Just Glenn and a film crew doing a land use documentary.*
- **October 19:** Edwards AFB Open House. *High winds cancelled some events and sandblasted the crowd.*
- **October 5:** [Mt. Sterling](#). *Nice time. Most of the interceptors were there (no one else). Spotted a building we hadn't known about in Nye Canyon south of Papoose Lake and distant caves near a mountaintop in the Nellis Range. As usual, nothing to see at Papoose Lake itself.*
- **August 24:** [Leviathan Cave](#). *Same day as Rachel rave party. Got to the cave this time. Found a bomb on the trail, which the Air Force later took away. Was it a BDU or BLU?*
- **July 27:** [Tikaboo Peak](#)
- **June 22:** [Mt. Charleston plane crash site](#) near Las Vegas. *A very difficult climb, compounded by a wrong turn at the beginning. Those who made it to the top found the plane just where it should be, on the trail near the summit.*
- **May 4:** [Tikaboo Peak](#)
- **April 19:** [Tikaboo Peak](#) (Unscheduled) *Short-notice hike to coincide with the E.T. Highway unveiling/protest.*

- **March 9:** [Sunrise Mountain](#), overlooking Nellis AFB Area II *Not the best viewpoint, couldn't see the high security compound very well. We have since found better spots.*
