Regarding "Alien Interrogation" - Latest First

I know somthing you dont know

There out there and I have seen them.Others have to those who know about them can look for somthing strange such as the same car going back and forth of where you are.So if you know too look out and be careful!!!!!!

are we forgetting technology?

For the sake of arguement, lets say that aliens do exists. Then why is the governmnet keeping there technology from the people? Imagine, if we had that knowledge we could improve on our daily lives; like discovering a new fuel resource. Well just a thought boys and girls.

Reality check

Area 51 Just Might be a good place to test new aircraft that humans ar inventing. If you realy want to discover ailians. Try Talking to a pig they are classed as intelegent life forms and we eat them. Why would an ailian trust humans we would probably try to eat them. Just maybe we aint the smartest animal in the park.

My name is Prometheis with my fellow freind Bob. I come to warn you. I will single tentcly ruin your tincy wincy planet, See I have been maaking a powerful beam called a "laser". With this "laser" I will aim it at the polar ice mass at the peak of your planet. Slowly but surely you will drown under your own water supply.
