Subject: Secretary Widnall Answer

I conducted an interview with Air Force Secretary Shelia Widnall last week for an upcoming story in Popular Science. My last question to her and her reply is as follows:

Q: "Over the past couple months there have been many rumors floating about that one or two previously unacknowledged aircraft may be unveiled at the Nellis 50th Anniversary Air Tattoo."

A: "I am not aware of any plans to introduce any NEW aircraft at the 50th Anniversary Air Tattoo". (emphasis added)

Keep your eyes to the sky and I'll see you at the show.
