ANOTHER THEORY FOR ORIGIN OF "51"

From: area51@icgroup.net
Date: Thu, 10 Apr 1997 01:01:53 -0400
Subject: Origin of Area 51 name

I began reading the Desert Rat Chronicles about a year and a half ago, shortly after my first forays into Cyberspace. I chose area51 as my E-mail address, having know about the place before it was cliché and hip. (And will soon change it to something a little more esoteric.)

Anyway, I found myself answering alot of questions on the phrase Area51 because of my E- address, and inexplicably it suddenly occurred to me out of nowhere a likely scenario for its origin, here it is:

To the best of my knowledge, before the late 1950's and early 1960's, the term was never heard of. The US Air Force & Northrup created the base sometime after that, and as you know they were given a cloak of secrecy for cold war and military reasons. I believe that the Old Guard Military boys, having the same - "all powerfull and exempt from even the preying eyes of Congress" - mindset they are so well known for, created the term as a kind of inside joke - a Fuck You kind of thing - thinking no one can touch us here - even their funding is hidden in the labarynth of the DOD budget under black bag categories. The United States added the last state in the late 50's, but the good old boys added ANOTHER ... UNTOUCHABLE STATE ... the 51st State hence Area 51. It is so logical to me, that I am convinced this is where the Term came from.... As a courtesy, I would appreciate that I be credited with this idea in the future, as I believe it will pop up in your conversations, after some thought ... I think you'll agree it is a very plausible scenario.

Sincerely,
Matthew James Armbruster

HELLO! I AM FROM THE PHILIPPINES, AND I'M ONE OF A FEW PEOPLE HERE WHO HAVE A KEEN INTEREST ON LAZAR'S CLAIMS AND SUPPOSED MEETINGS OF HUMANS AND E.T.'S, ON THIS MOST SECRET PLACE ON EARTH, AREA 51. MOST OF THE READINGS DONE BY ME, WITH REGARDS TO THESE INCIDENTS OR STORIES, HAVE COMPELLED ME TO REALLY EXAMINE THE ISSUE, WHETHER OR NOT THERE MIGHT BE SOME TRUTH TO IT! SOMETIMES, I DON'T TAKE IT SERIOUSLY, BUT IT AMUSED ME AS WELL AS INTEREST ME! WOULD LIKE TO REALLY VISIT NEVADA, AND SEE IT MYSELF. BUT MOST PROBLEMS ENCOUNTERED BY FILIPINOS ARE VISA APPLICATIONS TO THE U.S. HOPE YOU GUYS, CAN SEND ME LETTER OF INVITATION TO SHOW TO THE CONSULATE OFFICER, THAT I'M REALLY INTERESTED TO SEE AREA 51! LIKE, MAYBE, INVITATION TO TOUR THE PLACE (LIKE THE BLACK MAILBOX, WHERE UFO ENTHUSIASTS MEET, OR MEETINGS IN THE LITTLE ALE INN, NEAR AREA 51!) IT WOULD BE VERY EXCITING TO HEAR IF EVER THERE ARE SUCH TOURS YOU COULD ARRANGE, AS WELL AS ASSIST ME IN MY VISA APPLICATION. I AM FROM CEBU, PHILIPPINES. MY ADDRESS IS AT 2059 M. VELEZ EXT., CAPITOL SITE, AND MY E-MAIL ADDRESS IS melecio@gsilink.com. HOPE THE AREA 51 RESEARCH CENTER SPONSORS SOME KIND OF GUIDED TOUR OF THE AREA, AND SEND LETTERS OF INVITATIONS, TO PEOPLE AROUND THE WORLD, SO AS TO REALLY HELP US VISIT THIS MYSTERIOUS SECRET BASE! HOPE YOU GUYS SEND ME E-MAIL, AND IF YOU WISH EVEN VISIT MY PLACE HERE FOR FREE! WISH YOU'LL HELP ME SEE AREA 51, NOT JUST VISITING WEB SITES AND READING ARTICLES ABOUT IT! THANKS,
MELECIO

I HAVE BEEN TOLD BE A SECRET SOURCE THAT AREA 51 IS HIGHLY CONNECTED WITH THE CIA. THE CIA HAS SEVERAL PROJECTS GOING ON THERE AT AREA 51. THE REAL NEWS IS THAT THE CIA HAD SOME MAFIA MEN FROM MIAMI THAT WERE ALSO IN WITH DRUG LORDS IN SOUTH AMERICA PAY OFF THE LOCAL SHERIFFS DEPARTMENT SO THEY WON'T INTERFERE WITH ACTIONS GOING ON OUT THERE. THE MONEY I HAVE SINCE FOUND OUT IS UNTRACEABLE FROM WHERE IT CAME FROM.

MUFFLER THEFT EXPOSES SECRET FEDERAL PRISON

From: [withheld]

Subject: FEDERAL PRISONS CONSTRUCTED IN SECRECY

HI GLEN, in 1991/june in Pomona Ca. at 12308 East End avenue the retirement home know as "Care Manor" was purchased in secret by the dept. of justice? with-out the knowledge of the mayor of pomona, or the city council. in this prison are the criminally INSANE that Fidel Castro sent to the U.S.A. the d.o.j. went ahead and did this without telling anyone. last year on 12 July, two of the inmates escaped. they were caught trying to steal the muffler of of my next door neighbors car. my neighbor held them at gun point until the Chino police showed up. if you or anyone else is thinking that this is something that I made up feel free to check with the Pomona Police. kinda makes me wonder just how many more federal prisons are out there. in my exrerience with uncle sam, construction of a secret building is just that secret. buying of an existing building or buissines, appears to be the way to go if you really want to keep a secret. REGARDS: -----.
