Subject: FROGI wants info

The Freedom Ridge Oversight Group, Inc (FROGI) is currently planning its activities for 1997. In connection with this, we are interested in communicating with people who have made Freedom of Information Act requests concerning Area 51 or other secret government activities, and we are especially interested in communicating with anyone who had film or videotape seized by military authorities or security guards in the Freedom Ridge/Whitesides area.

If you have any information relating to the topics above, you can e-mail me (Steve Hofer, FROGI's corporate counsel, conslaw@aol.com) or Paul McGinnis, Frogi's president (PaulMcG@aol.com). We both have day jobs, but we'll get back to you as soon as possible.

Thanks everybody

Steve Hofer
