Sorry to say, I assume these Massachusetts positions do not include standard issue desert fatigues and Jeep Cherokees, as Glenn can attest. I am happy to report however, that you, yes you, could be the driver of a shiny white Chevy Lumina which sports W-A-C-K-E-N-H-U-T S-E-C-U-R-I-T-Y on the side in bright blue letters, much like the ones I have seen cruising Interstate 93 in the Andover area...
