Subject: Errata re: Satellite Images of Area 51

I was excited and pleased to see my letter posted on the Area 51 mailing list, but I was embarrassed to see that there were two errors in the URL's for the photos.

The URL for Photo #2 was reported as:

<http://www.cs.bgsu.edu/~jzwodn/ufo/Groomlake/Groomlake-1968.gif>

The correct URL for Photo #2 is:

<http://www.cs.bgsu.edu/~jazwodn/ufo/Groomlake/Groomlake-1968.gif>

The URL for Photo #3 was reported as:

<http://www.cs.bgsu.edu/~jzwodn/ufo/gifs/a51-1994.jpg>

The correct URL for Photo #3 is:

<http://www.cs.bgsu.edu/~jazwodn/ufo/gifs/a51-1994.jpg>

Note that in both URL's the error is a missing 'a' in the substring '/~jazwodn/'. I don't know where the error occurred, however the important thing is the integrity of the database.

Also, while I have your attention, would you please change the name from "Randall J. Stachelrodt" to my Internet handle of "the cold Star". the cold Star is an acronym of my last name Stachelrodt.

Thanks a heap.
Sincerely,

Randall J. Stachelrodt
thecoldStar
