Coming on CNN?: 2-hour on Gersten & UFOs, June 24

Subject: Coming on CNN?: 2-hour on Gersten & UFOs, June 24

June 24, the 50th anniversary of Kenneth Arnold's famous sighting, coincides with some exciting UFO events. I have already alerted the Area 51 Mailing List to the NBC Dateline interview with Philip Corso and the publication of the new USAF report on the Roswell crash, but that's not all. June 21 at 22.57 local Danish time (GMT + 2 hours) I received this promising mail from the "Skywatch" list:

Thanks to some informative responses to my first message, I have now read all the available episodes of the 'Ultimate Secret.' About ninety percent of the past references to me are true. Mr. Gersten and I did live together for eight years. So I would like to do a special two hour program on June 24, 1997 on the story, its author and the fiftieth UFO anniversary. I have copied Mr. Gersten's most recent mailing list because I would like his readers' opinions for the airing. If you know Peter personally, have corresponded with him, or are an avid follower of the story, please contact me so that I can arrange a time and place for an interview. Despite the warning by Zechel, I will be broadcasting from Phoenix on June 24.
