Subject: Re: Police: Strange Sightings North Of Las Vegas [news]

<snip>
The contrail was visible for quite a while, and of course had no relation to Area 51. It was quite beautiful- the uppermost reaches were lit by moonlight here in LA, while the lower parts caught the last traces of the sunset. Very beautiful, but no twinkling lights other than the targets it jettisoned and, of course, it didn't come from Nevada. Supposedly it was visible even in Phoenix.
Dan
