Subject: Monitoring Times Story on Area 51

There is a great article on Area 51 and surrounding military installations in the July issue of Monitoring Times magazine.

The story is written from a military radio monitoring perspective and contains loads of radio frequencies used by various agencies and contractors, as well as a (very) brief history of the area.

Subject: Monitoring Times Article on Scanning Area-51  
From: [jetguy1@ix.netcom.com](mailto:jetguy1@ix.netcom.com) (BRENT CLARK )

Just recieved my July issue of "Monitoring Times" magazine which includes an article dealing with radio frequencies and scanning the Area-51 and Nellis complex. The article is by Assistant Editor Larry Van Horn and contains an extensive frequency list covering Nellis, Tonopah Test, Desert Rock and McCarran International. The magazine can be found at most bookstores. Barnes & Noble has it in the "Electronic" section of the magazine section. Cost \$3.95
