I would like to share a conversation between my friend and UFO researcher Mr. Norio Hayakawa and New Dawn International News Service.

ND: Based on your research, do you believe the U.S. government is experimenting with UFO-type crafts?

N: There is no doubt in my mind that the U.S. government has been experimenting with the UFO-type crafts, for many many years. In fact, it is my opinion that after WW 2, hundreds of German scientists and engineers along with German intelligence specialists were brought in to the U.S. many of those scientists, I believe, later became the pillars of the U.S. space program, some overt and some covert. The overt programs later developed into the present NASA projects. As far as the covert programs were concerned, during the mid-fifties, some of the scientists were probably transferred to remote test sites such as AREA 51 in Nevada. Area 51 (or DREAMLAND) is where I believe the U.S. government has been testing disk-shaped crafts for many, many years.

Townsend Brown flying disc technology and its applications were initially conducted at locations such as California's China lake Naval Weapons Center and the then fledgling test facility at AREA 51 in Nevada. Those were the beginning days.

The Nevada facility probably was a small one. But it's a different world right now, in AREA 51. Right now, the facility includes at least 1000 separate buildings of all types, with probably more than 2500 employees that work there on extremely compartmentalised projects, basically under the auspices of Lockheed Corporation, along with other defense contractors, such as E.G. and G.

ND: Is such experimentation linked to the push by an elite group of global rulers to direct world affairs into the creation of the so-called NEW WORLD ORDER?

N: It is my opinion that an elite group of globalists has always believed that the ultimate way to create some type of global unity was to create an artificial "crisis". But the ultimate one is to create an external threat from "outside" and the most convincing one will be an "alien" threat from beyond earth.

To this end, I believe that we have been slowly been brain washed and manipulated to believe in the existence of "extraterrestrial" entities. Look at the proliferation of "alien"-related films and TV documentaries. I think that this is all a part of the conditioning process that is preparing us psychologically to accept the "alien" presence and sensitise us to the "alien threat" in the very near future.

ND: Please explain to our readers the significance of AREA 51 (DREAMLAND) and its location?

N: AREA 51 is widely and interchangeably known as Groom Lake Test Facility, or sometimes known as DREAMLAND. It is very difficult to distinguish these names because, technically, Groom Dry Lake Facility is considered to be part of AREA 51, which, along with the alleged Site 4 Complexes (alleged to exist on the slope of the Pappoose mountain adjacent to Pappoose Lake), is said to be part of DREAMLAND.

This entire area is located on the northeast corner of a vast desert stretch of land known as Nevada Test Site. However, the particular area

in question has practically nothing to do with nuclear testing. It has been the testing grounds in the past for such crafts as the U-2 Spy Plane, SR-71, F-117A and recently, the alleged triangular TR-3A craft and the alleged diamond-shaped Aurora craft. But those are just the Black Projects.

Beneath the veil of secrecy, and under the cover of "Deep Black" Projects, it's my belief that they have been testing several types of circular-wing aircraft including the typical metallic, disc-shaped craft. The one, also known as the BOX, is located approximately 125 miles north-northwest of Las Vegas, Nevada. Its air space known as R-4808E (or sometimes known as R-4808N) is restricted even to military jets from Nellis Air Force Base on the outskirts of Las Vegas unless special clearance received.

DREAMLAND is said to be an acronym for Data Repository Establishment And Management LAND. In my estimation, this will be the center for future satellite linkage system that will centralise all global computer data network system.

A device known as Battle Engagement Area Simulator And Tracker (B.E.A.S.T) developed by the U.S. Naval Research Laboratory and which will be launched into orbit under the auspices of DARPA, will link all global data network systems in the air.

It's my belief that the BEAST will be some type of a super computer linking station launched into orbit in a few more years. In my video, SECRETS OF DREAMLAND, I also bring up the possibility of this super computer linking station emitting holographic images into the atmosphere to control the "thinking" patterns of the populace at that time. It is interesting to note that part of the multi-faced HAARP Project currently installed and being tested in Gakona, Alaska, deals with converting part of the ionosphere into some type of a condition that produces a reflective "lense" - like effect, thus allowing the atmosphere to act as a projection "screen" of sort.

It is my understanding that HAARP Project will be in full effect in the year 1998. (By the way, do you notice something strange about the year 1998? it is the year of triple 666. just divide 1998 by three and you get 666. Is it part of symbolism for diabolical trinity? Also, 1998 "happens" to be the 50th anniversary of the founding of the State of Israel in 1948. Is that pure coincidence? Just a thought.)

ND: Do you believe that the power elite that controls the U.S. government would "stage" an alien invasion?

N: The power elite that controls the U.S. government (I call it a global "cabal"), I believe, will stage some type of a fake "extraterrestrial" event within the next few years in order to bring about an implementation of the first stages of the NEW WORLD ORDER.

There is no doubt that the technology is here that would enable the scientists and militarist to ingeniously stage such a fake event. Recent movies such as "The Arrival" and "Independence Day" are conditioning us and hyping us to accept such an outside "threat".

ND: It is alleged that Laurence Rockefeller (brother of David) has been funding research into "UFO/ALIEN encounters" What is your opinion?

N: I wouldn't be surprised if this were so. The Rockefeller Foundation in North America and the Rothschild Financial Conglomerate in Europe are an integral part of the entity known as the Bilderbergers. It is my understanding that they have plans to establish the NEW WORLD ORDER by the year 2002. In order to accomplish their goal, a total state of panic has to be in effect to surrender the citizens' rights to a global system. This, I believe, will be accomplished by staging a fake extraterrestrial threat from yonder.

ND: All the sacred scriptures of the world speak of astrological phenomenon associated with heralding a period of turmoil. Do you see any significance in occurrences like Uranus's entry into Aquarius this year, and the MASSIVE Comet Hale-Bopp, expected to pass Earth in 1997?

N: I am not too knowledgeable on the comet Hale-Bopp nor on Uranus' entry into Aquarius this year. What I am more concerned about is the gradual surge of power output of the HAARP Project in Alaska within the next two years that could bring about further aberrations in worldwide weather patterns and the possible mind-control experiments using various radio frequency waves directed on a segment of the population worldwide.

ND: What steps can the people take to prepare for the coming crises, and not fall victim to manipulation by the power elites?

N: Our only protection that could possibly shield us from the coming crises and manipulation by the power elites, I believe, will be a Spiritual Shield.

We must "arm" ourselves SPIRITUALLY. I am not talking about SPIRITUALITY. Being religious is not the same as being SPIRITUAL. I think time will come when God will pour out his Holy Spirit to guide us in times of Tribulation Period, which I believe is right at the doorsteps.

ND: Your well-publicised call for unity among the various U.S. citizen militias captured the attention of the anti-New World Order forces around the globe. Please tell us more about this initiative?

N: I had posted a call for unity among the various U.S. citizen militias. We must get united now or we will all be swept by the coming onslaught of the forces of the NEW WORLD ORDER. Although I believe that the mainstream militia movement is a genuine wake-up call to resist the coming New World Order, guns alone cannot stop the high technology that will be used by the forces of the New World Order to subjugate us. We must struggle and fight, yes, but only with conviction that ultimately.....OUR ONLY HELP WILL COME FROM ABOVE.
