Subject: Uh-oh! Another video? [Video of Alien at A51]

Hi all,
Check out the following from the IUFO mailing list:

<http://www.ufomind.com/ufo/iufo/1997/mar/u15-010.shtml>

It tells about something heard from the highly reputable Art Bell show. Apparently, someone smuggled a video out of Area 51 which depicts the 'telepathic interrogation' of a grey. It seems the clever smuggler, in an effort to out-wit his superiors, actually removed the video tape from the cartridge and wrapped it around his hand thus giving himself time to escape with the goods.

Sigh.
