THE AREA 51 MAILING LIST is a moderated public forum for the exchange of information relating to the secret Groom Lake base in Nevada. Appropriate subjects can include UFOs, secret aircraft, government secrecy, desert geography, local politics, popular culture, paranormal claims and military operations -- so long as they are reasonably related to this part of Nevada or the claims made here. This list also provides a forum for the discussion of military cover-up of UFOs at any SPECIFIC military installation or intelligence unit (as opposed to vague conspiracy claims).

This list differs from newsgroups and some other mailing lists in that it is actively moderated. Only messages meeting the criteria of the list -- in content, courtesy and relevancy -- will be sent on to subscribers. The intent is to create an intelligent forum for the discussion of Area 51 without superfluous posts.

See <http://www.ufomind.com/area51/list> for archived messages and the list's charter. Please read these rules before sending submissions.
