=====

"You all know the Darwin awards. They are given out annually to the person who did the gene pool the biggest service by killing themselves in the most extraordinary , stupid way. Last years winner was the fellow who was killed by a Coke machine which toppled over onto him as he was attempting to tip a free soda out of the vending machine!
 This Years Nominee is:

The Arizona Highway Patrol came upon a pile of smoldering metal embedded in the side of a cliff rising above the road at the apex of a curve. The wreckage resembled the site of an airplane that crashed by flying straight into the cliff, only this was a car. The type of car was undefinable at the scene. The lab finally figured out what it was and what had happened..."
