There is going to be a meeting in the San Francisco Bay Area this Wednesday, May 21 to talk about the activities at the Groom Lake test facility (aka Area 51). The meeting will be in Berkeley around 8pm. Not a lecture, no agenda, just a get together to swap stories and enjoy the company of people with a similar interest. The slant will be on aircraft projects, not UFO's, but all are welcome.

Email me at BDLiddicoa@aol.com if you have an interest in attending....
