Where Do We Come From? Who Are We? Where Are We Headed?

NEW YORK, May 21 /PRNewswire/ -- The following was released today by the U.S. Raelian Movement:

65 million Americans claim they have seen UFOs. Aboard those vessels are living beings like ourselves, who have been visiting us since the beginning of times. These travelers from space are called "Elohim" in the original Bible, a word which means "Those who came from the sky.

"They created us in a laboratory, thanks to a perfect mastery of genetic engineering (DNA). Through the ages, they have helped us by sending us their prophets (messengers). We are now living in the age of Apocalypse (revelation), and they have sent us their last messenger, "Rael".

Rael has a mission to reveal to the entire world the truth about our origins, and to build an embassy where our creators will return and hand down to us their scientific heritage as well as the secret of eternal life: cloning.

Rael's book "The Message Given To Me By Extra-Terrestrials" is a world best-seller, translated into 22 languages. The Raelian Movement has 35,000 members in 84 countries.

For the first time in New York city, Rael, the only contactee with a message for humanity, will be giving a conference to explain his fantastic experience, at:

The New Yorker Hotel
 Grand Ballroom
 481 8th Avenue New York City
