Flowers for Colonel Wilson -- to which hospital?

Hasn't this happened before? Everybody gets all geared up to meet "Colonel Steve Wilson" in the flesh, and then something happens, he disappears or reportedly dies, and we miss our chance.

Now we learn that the Colonel is undergoing "kemotherapy" and is in the hospital... just in time to miss his first public appearance at the Skywatch conference in Phoenix on Nov. 15. (Is it still on?)

Wilson is listed on our website as a "hypothetical character." Although he is the on-line founder of Skywatch and runs a popular mailing list, no one is sure that he actually exists -- at least with the impressive military resume he has claimed. If he ever showed up in person, then he might have some embarrassing questions to answer.

So the only thing we ask about his recent hospital admission is, "Which hospital is it?" It's not a big question, really. Sending a get well card to a PO box is nice, but what if we want to send flowers -- or call up admissions to find out how he is doing? PO boxes are too impersonal, like email addresses. We want to send chocolate.

I want to inform everyone that the Colonel was taken to a hospital this AM. He has asked me and has previously explained how to post here. Please do not be surprised if some days there is no mail. I will do the best I can, but I have a family to care for also. I just ask that you all obey the posting rules as it is hard enough to sort through all the email that comes in.

If anyone wants to contact him personally, do so at
<colonel@wic.net>. I have no access to this account.

Thank You
Carolyn

Billy Dee Remarks!

Lets be in prayer for the colonel. He is suffering from
cancer, and has been for some time, as well as he has already gone
through Kemotherapy.

Subject: Send Get Well Cards to the Colonel

In response to the flood of requests about where we can send get
well cards to the Colonel . Skywatch, has informed me that the
following address may be used .

In our minds, many of us know what a great man he is . It is now
the time to let him know . There are very few who can claim to
match the dedication to our field, as our own Colonel Steve
Wilson (Founder of Skywatch) .
Steven L Wilson Sr
(The other Steve, not the Colonel)
