Skunk Works Mailing List archive created

Below is subscription information for the Skunk Works Mailing List, which covers past and present secret aircraft including the U-2, SR-71, etc.

You don't need to subscribe, though, because I have just created a web archive for it.

See the latest messages at <http://www.ufomind.com/military/aircraft/skunkworks/mailing/>

I will probably retain the latest 1000 messages from this list.

From the list:

"To subscribe to skunk-works-digest, send the command:

subscribe

in the body of a message to "skunk-works-digest-request@netwrx1.com". If you want to subscribe something other than the account the mail is coming from, such as a local redistribution list, then append that address to the "subscribe" command; for example, to subscribe "local-skunk-works":

subscribe local-skunk-works@your.domain.net

To unsubscribe, send mail to the same address, with the command:

unsubscribe

in the body.

Administrative requests, problems, and other non-list mail can be sent to georgek@netwrx1.com.

A non-digest (direct mail) version of this list is also available; to subscribe to that instead, replace all instances of "skunk-works-digest" in the commands above with "skunk-works".

Back issues are available for viewing by a www interface located at:
<http://www.netwrx1.com/skunk-works>

If you have any questions or problems please contact me at:

georgek@netwrx1.com

Thanks,

George R. Kasica
Listowner"
