Hi Glenn,

Thanks for the notification.

I don't think you operators of the other email lists can appreciate or understand the strange and deep affection we Skywatchers had for our admittedly strange Colonel.

Be he hypothetical, a liar, or whatever, we loved this unique crusty personality whom we knew only thru this terse and sometimes shocking Notes. I personally admired his determination to provide a forum for segments of the UFO community that have been laughed off some of the other lists, "..as long as they follow the rules."

Checking for email will never be quite the same. I think a word of condolence to us sad Skywatch listers is in order.

I just want to know which funeral home to send flowers to.]
