Greetings,

Colonel Wilson said he had won the Air Medal of Honor. However, on the Medal of Honor website there is no Steven Wilson listed. Since Dr. Boylan has Colonel Wilson's DD-214, I am sure he shares my concern that war veterans get their proper due. Why not post this so we can write the Department of Defense and Department of the Air Force and demand that they correct the slight given to a man who has won the highest military honor the nation can bestow? So let us have this material that we may assure that the military makes the necessary corrections on the Medal of Honor website?

Thank you.
