End of Spader thread on this list

At the risk of seeming oppressive, I think it is time to draw the "Martha Spader" discussions to a close on this list. Further messages in this thread will not be passed through.

We have given Gene Huff the last say in the matter, and a reader reports that Huff has posted a lot of additional commentary to the newsgroups.

Please see alt.conspiracy.area51 or www.dejanews.com for all further discussions on this matter.
