Sean David Morton Predictions on the Art Bell Show

From: stevek@ibm.net
Date: Fri, 24 Oct 1997 07:16:07 -0800

Below is a transcript of specific predictions which Sean David Morton, self described prophet [and Area 51 expert], made during two appearances on the Art Bell radio talk show. Mr. Morton estimates his accuracy rate at 85%. Judge for yourself before sending him money.

In transcribing the shows, predictions without dates or those dated past 1997 were excluded. When the same prediction is repeated more than once during the same show, the most specific version is used. Each prediction has the AudioNet time when it is made, so you can hear it for yourself. The Art Bell AudioNet archive URL is <http://ww2.audionet.com/artbell/archive.html>

Prophets, psychics, and remote viewers must be held responsible for their predictions, especially when they sell products based on their stated ability, otherwise, they will continue to use New Age radio and TV shows as a forum to promote their products without accountability.
