I would argue with the word "transcribe." No one needs to transcribe these broadcasts, which would be a massive task.

All a listener needs to do is paraphrase what the guest said, e.g.

Joe Smith appeared on Art Bell last night. Said world will come to end on Oct. 31. Said aliens are bloodsucking reptilians who want our women.

This can be followed by a list of specific claims made by Smith.

The report can be as long or short as you have time for, but it should be neutral. Don't say what you think of Smith's claims, just tell us what he said.
