

## Area 51 Mailing List - Submission Response

Thank you for your submission to the Area 51 Mailing List.  
Unfortunately, we cannot pass your message on to subscribers in its current form.

>>> Your submitted message is included below. The reason this message cannot be accepted is....

- No new information or substantial argument
- This response should be sent to author of previous message, not entire list
- Too much quoted material
- Off-topic
- No clear connection to Area 51 or specific gov't agency
- Only opinions are expressed, no facts
- Tired Topic
- Your point isn't clear
- Message is unreadable
- Author's point isn't clear
- Message is unreadable
- Wrapped lines must be fixed
- Author is unknown
- Subject: line is not meaningful

For guideline on submissions, see <http://www.ufomind.com/area51/list>  
We are trying to maintain a high quality list with as little superfluous material as possible.

There are still options open to you if you want your message to be distributed. You can (A) edit this message to make it acceptable, (If the moderator thinks your message has a possibility for resubmission, advice may be given above.), or (B) submit the message to a newsgroup or another mailing list. (Newsgroups like alt.conspiracy.area51 have a much wider distribution and no restrictions on content.)
