Regarding "Janet Terminal Diagram" - Latest First

View Janet From Mandalay Bay

I stayed at the new Mandalay Bay Hotel and had a great view of the terminal from my 24th floor suite. I watched and listened to my scanner as the planes departed and returned to the terminal mostly during the day. At night a number of cars remained for those on the "graveyard" shift at area 51. I learned about the flights on a documentary and was amazed to see the real deal.
