Wackenhut Security Services

This page is no longer maintained. See our [Link Page for Wackenhut](#) for new links.

Private Security Firm

Founded in 1954 by former FBI agent George Wackenhut, Wackenhut Security now provides security for numerous private ventures and government facilities worldwide, including the Nevada Test Site. Wackenhut has been accused of operating perimeter security for Area 51, a charge that has not been proven and has been denied by former employees.
