He will suck up to any New Age fad and any gullible believer as long as no proof is required. Regarding Area 51, Sean blatantly rips off the work of others and passes it off as his own. He often speaks at UFO conferences, and the audiences love him because he tells them whatever it is they want to hear."

Regarding "Sean David Morton" - Latest First

Mass Communicator or Mass Manipulator?

It makes the mind wonder.....

Kptt Reno

I listen to your show, mostly, from 10pm to 2pm on KPTT here in Reno. Most of the time the station has another show (such as Bruce Williams) playing simultaneously or a beep every seconds over your feed. This is annoying and when I complain to the Station Manager, he gives me a promise to "take care of it" Last night, 6-1/6-2-99 the simultaneous shows lasted from 10pm to 5:30am. Make that 10pm to 2AM.

Morton's new radio show

I listened to his new radio show last night expecting Dreamland. Where's Art Bell at? Is he throwing in the towel? Morton's show was a little wacky I might say. My opinion of him is not too high. A self proclaimed "expert" on Ufology.
