# PREDICTIONS OF THE FUTURE!

## From the Vajra Chronicles

Featuring [SEAN DAVID MORTON](#), Psychic, Author, TV Personality

**Saturday, August 27, 1994, 7:30 pm**

\$15 Advance, \$20 Day of Event

*One of our most popular speakers returns with a presentation that will be thought provoking, daring and controversial!*

For the first time ever--in public--Sean will attempt the intimately intense technique of DIRECT TIME SOUL TRANSFERENCE to a period 100 years ahead in Planet Earth's Future! Many know about Past Life Regression. Post Life Progression is a Tibetan discipline that allows the practitioner to switch souls with ones self in a future incarnation!

This is NOT A CASE OF CHANNELING... but a fantastic opportunity to meet, speak and interact with a person who has wisdom and knowledge from our future! Sean has received a great deal of information from his incarnation as one of his own grandchildren, named Vajra Morton, living in the City/State of New Omaha, Nebraska, in what is called North American Union, in approximately the year 2095!

Sean is an initiated Tibetan monk, who studied at the [T'ang Ba-chay Monastery](#), located at the roof of the world, nestled near the foot of Mt. Everest. It is because of his Tibetan training that Sean is able to perform Post Life Progression.

*Sean predicted the [Northridge earthquake](#)! And the [Malibu fires](#)! Since 1989, he has been right [nine times out of ten](#) when he predicted upcoming earthquakes, natural disasters and political occurrences. He is often seen on national TV and as a frequent guest to give predictions on Geraldo's Talk Show. He has also been a consultant for [Unsolved Mysteries](#) and [Sightings](#). Sean is an authority on prophecies, pyramids, UFOs, the Bible and earthquakes.*

*Sean holds a [doctorate in theology](#), writing his thesis on the prophesis of the Great Pyramid of Giza and how it relates to coming events. He is the author of the Millenium Factor, Prophecy for the Next 30 Years. His book will be available at the program.*

**Bring your friends to this very unusual and exciting program! Make reservations early! [Sean fills the house!](#)**
