Regarding "Area 51 Claims & Theories" - Latest First

BEWARE OF THE TRUTH!

People, AREA51 is a front for an even bigger operation. Located just North East of Groom Lake at about 250 miles is an abandoned nuclear housing facility, where this unknown organization has been transporting equipment and personnel. They have been using the government's unknown highway system to travel from facility to facility. The legend of this system is unknown at this time. (clue: subterranean)

I will gladly forgo the "truth"

I don't believe aliens are among us moving between solar systems and so forth.I do believe there is life out there,and why not?We are living in only one of billions of solar systems.However I do believe that if asteroids and comets can get here from distant far off places so could a satellite or vessel.Idont believe anything living could survive the trip.I would only hope our govt.would use anything it found to help maintain our security!

POWER

A PERSON in POWER WILL DO ANYTHING TO STAY in POWER AND I DO NOT MEAN ELECTED PEOPLE .

-- THINKING MAN 6/21/99 (#12)

another theory behind "51"

We can now clone sheep and are closer to cloning humans. Theory: Govt. is doing genetic testing, actually reproducing humanlike figures to test odd shaped aircraft and the effects on humanlike bodies relative to speeds not tolerable to man, as well as other defense related weaponry/germ-biological chemicals without the guilt of killing an actual human being during testing should the project go awry or a crash of an aircraft occur. This could also account for the "mutated" look of "Alien Grays" ect. Also, Cryogenics was purported to have taken place in this facility. THINK ABOUT IT.. MIGHT MAKE A LITTLE SENSE?
