## Our Review

Opinion of the webmaster, subject to debate

Examines some of the more important UFO cases from the last 50 years. Author Kevin Randle presents each individual event and details his research findings. Included is a list of sources that provides the titles for key documents and their authors.

This catalog provides the sole financial support for the [Ufomind website](#) and our many free on-line services.... Your purchases keep us going!  
If you find out about a book here, please order it here.

## Information from the Publisher

Always supportive

### Publisher's Synopsis

Exhaustively researched and thoroughly documented--with newly revealed information buried for years in U.S. government files--The UFO Casebook is the only source tracing UFO history from the first modern sighting to the present day.

### From the Book Cover

#### **ALL THE LATEST FINDINGS, REPORTS, AND SIGHTINGS... THE TOTAL UFO BOOK !**

Written by a former Air Force intelligence officer who worked on the government's top-secret Project Blue Book study on unidentified flying objects, this is the one book for everybody with an interest in the astounding UFO phenomenon. Exhaustively researched, thoroughly documented-with newly revealed information buried for years in official U.S. government files- *THE UFO CASEBOOK* is the only source tracing UFO history from the first modern sighting to the present day.

Has the U.S. had the answer to the UFO riddle since July 2, 1947? New facts on the Roswell incident, where wreckage was secretly recovered from a downed UFO.

Are there aliens among us? Straight from Blue Book files-documented reports of mental contact with aliens and abductions aboard UFOs.

What's the CIA trying to hide ? Pilots who've died chasing UFOs. Mysterious green fireballs over New Mexico. Astonishing photographic evidence of sightings in Texas.

All in the book that tells you what they don't want you to know...

## **THE SIGHTINGS...**

New Mexico, 1947: Two separate sites are discovered, yielding a large disc-shaped craft, debris made of substances previously unknown on earth, inscriptions in unfamiliar hieroglyphics, and the remains of several alien humanoids.

Lubbock, Texas, 1951: Formations of flying objects, giving off soft, bluish lights, are seen by dozens of witnesses.

South America, 1957: A man is abducted aboard a vessel and subjected to an experiment testing human reproduction.

Socorro, New Mexico, 1964: A police officer hears a loud roar, spies a flash of light, and encounters two small figures in white. They flee back into their ship, which rises from the earth spitting a blue flame.

## **...AND THE SUPPRESSION**

WASHINGTON, D.C., The Present: These are UFO reports the government has been secretly investigating, while publicly denying their existence. But the facts are out. You'll find them in this book...

### **Table of Contents**
