1st of all, you all are awesome-thanks VERY MUCH for your great products and website !! Do you all think that info gleaned by those doing research @at Area 51 may help cure diseases like cancer? I only ask for speculation-thanks and God Bless.

### **Please send me a few facts about area 51 and UFO's**

Hello! I need a few facts about the strange stories of Area 51 and the aliens which would be prepared there. I want everybody to mail me please! Bye, MfG f.h.

-- Florian H. ([Huetticheck@hotmail.com](mailto:Huetticheck@hotmail.com)) 6/7/99 (#9)

I like your ordering process, it is unique and user friendly. You're also most generous in the "freebies" offered on your site. When I have purchased books from discounters, the price was a few bucks cheaper, but they don't give anything away or supply one with the resources this site does. Thank you.

I am writing to tell you personally how pleased I am with not only your website, but also the merchandise that I've ordered from it.... I encourage you to keep it, because after scouring the internet for literally hours on end in search of any information even remotely interesting on the subject of Area 51, I always end my night visiting the same site I started with, www.ufomind.com. Thank you for providing an excellent service, and thank you for providing it at a lost cost to your consumers.
