

T H E HOLOGRAPHIC UNIVERSE

*A Holographic Universe
A Reality That Engulfs
• The Conscious Mind
of the World
• The Future Frontiers of Physics
and the Unusual World
of Perceptual Reality*

"One of the most important books of the decade, a masterpiece of thinking on the meaning of the world. One comes to the end of this book a larger man, more gifted with a brain more powerfully on the loose."
—John Barrow, P.M.D., author of *The Possible Heaven*
