ALIEN CONTACT: THE FINAL EVIDENCE

In [Above Top Secret](#) Timothy Good documented the systematic cover-up of information about UFOs by the intelligence communities of the world. Now he reveals the hard evidence for extraterrestrial visitation:

- Farm animals have been surgically mutilated by means of technologies unknown to human medicine.
- A top secret US military installation in Nevada has dismantled and test-flown alien craft.
- Doctors have examined live aliens, dissected and photographed the bodies of others recovered from crashed vehicles.

These are not the claims of a wild-eyed fanatic but carefully documented research findings supported by interviews with key US military, scientific and intelligence personnel.

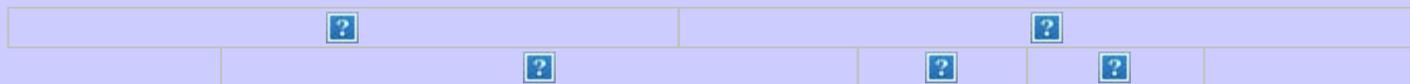

[Alien Liaison](#) takes the investigation of UFO phenomena to a new level. Its astonishing revelations are impossible to ignore. It will change the way we look at ourselves and the universe -- forever.
