From the Book Jacket...

SIGHTINGS, ENCOUNTERS, ABDUCTIONS -- THE TRUTH CAN NO LONGER BE IGNORED!

Ed Walters came to national attention in 1988, when he produced dramatic photographs of a verified UFO sighting in Gulf Breeze, Florida. Since that time, through extensive self-exploration and hypnosis, he has discovered that he has unknowingly been an alien contactee for many years.

STARTLING NEW REVELATIONS ABOUT ALIEN-HUMAN CONTACT

Using advanced state-of-the-art technology, optical physicist Dr. Bruce Maccabee has analysed mountains of accumulated evidence on UFOs and alien encounters, to determine which alleged sightings are false... and which are shocking, indisputable scientific fact!

UFOS ARE REAL!

And here's the proof, verified by solid scientific research: new data and documents, and clear, unretouched photographic evidence that supports reliable eyewitness accounts from across the nation and around the world -- proof that these astonishing events have indeed occurred... and are occurring still.

We are not alone!

Includes 16 page of remarkable photographs

From the Publisher...

This riveting personal account by a leading figure in the field of UFO study and an optical physicist features Walters's startling recollections of "missing time" in his early life, and reports of UFO sightings and alien abductions from around the world. Walters and Maccabee present overwhelming evidence about alien interest in life on Earth, including new analysis of photographic evidence which will convince readers that UFOs are real. Photos.
