From the Book Cover

WHAT IS IT LIKE TO DIE -- AND LIVE AGAIN

- "I had a floating sensation... and I looked back and I could see myself on the bed below."
- "I went through this black vacuum at super speed."
- "From the moment the light spoke to me, I felt really good -- secure and loved."
- "I heard a voice telling me what I had to do -- go back -- and I felt no fear."
- "It opened up a whole new world for me -- I kept thinking, "There's so much I've got to find out."

In this fascinating book, Dr. Moody reveals his ground breaking study of more than 100 people who experienced "clinical death"-and were revived. Their amazing testimonies and surprising descriptions of "death" and "beyond" are so strikingly similar, so vivid and so overwhelmingly positive they have changed the way we view life, death and the spiritual hereafter. Life After Life will intrigue and offer strong reassurance to anyone who has wondered "what comes next?" In this fascinating book, Dr. Moody reveals his ground breaking study of more than 100 people who experienced "clinical death"-and were revived. Their amazing testimonies and surprising descriptions of "death" and "beyond" are so strikingly similar, so vivid and so overwhelmingly positive they have changed the way we view life, death and the spiritual hereafter. [Life After Life](#) will intrigue and offer strong reassurance to anyone who has wondered "what comes next?"

"It is research like Dr. Moody presents in his book that will enlighten many and will confirm what we have been taught for two thousand years -- that there is life after death."

-- From the Foreword by Elizabeth Kübler-Ross, M.D.
