Publisher's Synopsis

Something unimaginable is going on!

While some might choose to write it off as speculation, there is a book that represents one man's journey down a long and winding road to discover the truth and bring it to light. Paul Christopher has devoted over 20 years to personally investigating and researching a long-standing and perplexing phenomenon—one that is not going to quickly go away. His research has culminated in the writing of "Alien Intervention: The Spiritual Mission of UFOs," addressing a contemporary issue for which millions are seeking answers.

From both a Christian and objective perspective, and through his unique approach, Paul reveals a complex and ingenious scheme that is rapidly unfolding as this century nears its end. Unmasking the multidimensional activities associated with the UFO phenomenon includes the bizarre interrelationships with the realm of the Occult, the rapidly advancing New Age Movement, and the stir now being created by a coming "New World Order." It is a serious and gripping study.

"I met Paul Christopher over the Internet on a web site called the 'UFO Alert Files.' We began exchanging information through e-mails. Eventually, we started communicating by phone. I informed Paul that I had been going through strange abduction encounters since I was a small child. I purchased a copy of Paul's book as soon as it came out (October 1998). After reading 'Alien Intervention' I now understand the deception I was being put through and have been freed from my abduction encounters! Praise God! And thank you Paul for taking the time and having the patience to understand my dilemma." -- Alilyn, former abductee from upstate New York, November 13, 1998

It is particularly intriguing that UFO-related events are continually saturated with religious symbolism. If the nature of these beings was genuinely extraterrestrial in origin, they would certainly relate to the human race on a scientific level, owing to our advances and confidence in science. Covert activity, such as has been witnessed for more than fifty years, seems out of character.

Certainly the scientific community would use the most likely segment to accept and affirm their identity, wouldn't they? What if this extraterrestrial "appearance" is no more than a costume? What if, in fact, they are just waiting for the right moment in time? What if their timetable coincides with the emergence of the "anti-Christ?"

This book seeks to uncover and reveal the startling truth regarding why UFO events are occurring worldwide. It examines and details who is being contacted and for what reason, how specific organizations are formed to aid and promulgate an "alien" scheme, and what the complex underlying purpose is of this cosmic intrusion that has plagued humanity for some fifty years.

The startling evidence presented points to these activities culminating into some fantastic near-future event.

The hidden agenda cannot remain hidden. The "secret mission" must no longer remain a secret. Questions that have arisen over decades must be finally addressed. The truth is out there. It must be told.

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. (Eph. 6:12)

Topics discussed in the book include: * UFO Sightings * UFO Contacts * "Alien" Abductions * Apparitions of the Virgin Mary * The Contactees of the 1950s and 1960s * Benjamin Creme * Lord Maitreya * Shambhala * The Ascended Masters of the Great White Brotherhood * Theosophy * Channeling * Automatic Writing * The Ouija Board * The New Age Movement * The Ashtar Command * The "Divine Plan" * "Power Spots" * The Harmonic Convergence * Numerology * The "Cypher 6 Code" * Magick * The HAARP Project * The Electromagnetic Spectrum

* Betty Andreasson Luca * The "Gulf Breeze Six" * Ed Walters * Psychological Warfare * Spiritual Warfare * The "Chupacabras" * Animal Mutilations * Demonology * Demonic Possession and Oppression * The Occult * Occult Trinities * The "anti-Christ" * Armageddon and the Apocalypse * The "New World Order"

As it was in the days of Noah, so it will be at the coming of the Son of Man. For in the days before the flood, people were eating and drinking, marrying and giving in marriage, up to the day Noah entered the ark; and they knew nothing about what would happen until the flood came and took them all away. That is how it will be at the coming of the Son of Man. (Matt. 24:37-39)

From the Introduction of Alien Intervention:

Something unimaginable is going on that involves our entire planet, and hardly anyone realizes it. Most of us are too busy trying to make a living, raise a family, or get an education to recognize its mechanism. We can only see what is on the surface because that is all we are supposed to see. We assume that we are getting all the facts when, in actuality, what we are seeing and hearing is just a glimpse of what is really going on.

We are, however, being conditioned to think a certain way and to accept certain beliefs. It is an ongoing process that began a long time ago. It is targeting everyone, especially the children. It is affecting millions globally.

UFOs, UFO contacts, alien abductions, animal mutilations, crop circles, visions of the Blessed Virgin Mary, psychic phenomena, the supernatural, religion, the occult, numerology, astrology, science, politics, the United States government and military, television, and certain key individuals (along with the general public) are collectively instrumental in fueling its sinister plan.

According to Sean David Morton (psychic, channeler, faith healer, former Area 51 tour guide, Egyptologist, Nostradamus scholar, and UFO-contactee consultant), the development of a Federal government "Super Computer" is now a reality.

These "Super Computers" are called "B.E.A.S.T." computers and were supposedly developed at Area 51 (a secret U.S. military UFO base in Nevada). These Battle Engagement Area Simulation and Tracking computers orbit our planet and are designed to read a trans-dermal computer chip called a "MARCC" (Multiple Automated Readout Computer Chip) inserted in the back of the hand and/or forehead of military personnel.

The reason these chips are placed in the back of the hand and/or forehead is because this is where a more frequent change of temperature occurs in the skin, thus powering the chip.

So, in the not too distant future, we may only be able to buy food and clothing if we have the "MARCC" inserted in our hand or forehead. Interestingly enough, the Bible's New Testament book of Revelation states:

"And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name" (Rev. 13:16-17).

What if the "Computer Crash" (or Millennium Crash, Y2K, etc.) causes a socio-economic collapse? Will the governments of the world usher in a "New World Order" with the insertion of trans-dermal computer chips in our hand and/or forehead that will make our current buying and selling system obsolete?

Do UFOs somehow fit in to this possible alarming scenario?

...and fearful sights and great signs shall there be from heaven. (Luke 21:11)
