Our Review

Opinion of the webmaster, subject to debate

Credibility	Research Value	Cultural Interest	Visual Information	Style	Silliness	Wow Factor	Bargain
1	2	5	2	3	5	NR	3
Very Low	Low	Very High	Low	Functional	Very High	Not Rated	Moderate

[Explanation of Ratings](#)

Credibility = Very Low: In general, this category is a rating of the author's intellectual discipline and the strength of his argument (which are very low), not the veracity of his claims (which could be true in spite of the weak argument).

Visual Information = Low: Two simple maps only.

Silliness = Very High: High silliness isn't necessarily a bad thing. Such items often make amusing gifts or may be interesting as cultural artifacts.

A guide to the "vortex" centers around Sedona -- places in this scenic valley where people meditate. Includes many testimonials by people who claim the vortexes have changed their lives. This book captures the spirit of Sedona. Even if you don't believe in vortexes, it gives you an accurate introduction to local belief systems and the kind of language you will hear in the shops and juice bars of Sedona. Includes a couple of crude maps which are barely adequate to get you to each of the four sites. -- *Glenn Campbell*

Comparison to Other Books

This book is a good companion to the [Sedona Recreation Map](#), which shows the vortex sites more precisely.

This catalog provides the sole financial support for the [Ufomind website](#) and our many free on-line services.... Your purchases keep us going!

Information from the Publisher

From the Book Cover

Four Incredible Psychic Energy Centers

Sedona, Arizona, is the location of a vortex energy center that enhances all psychic abilities. Thousands of people have had incredible metaphysical experiences here, ranging from direct contact with spirits, visions, and healings to strange manifestations and effects. Many of the experiences set forth in this book are told in their own words.

There are four power spots in the world; Sedona is the primary positive center. The two negative power spots are the Bermuda Triangle and Sussex County, England. Sedona, in central Arizona, lies on ley lines connecting to Stonehenge and other spiritual power places in the world. The town is surrounded by four powerful energy centers, all within a few miles of each other.

The book included information on how the vortexes are charged and how they affect you. There are complete directions and a map to enable you to find each area as well as important warnings and safeguards you need to be aware of before exploring. You'll learn how to test the energy, the activate and expand it to maximize the psychic potential of your own vortex experience.
