## Our Review

Opinion of the webmaster, subject to debate

A view of the base at Groom Lake in a standard postcard. This is a high-quality photo with very good detail for its size and price. (The photos on this page don't do justice to the card itself.)

This catalog provides the sole financial support for the [Ufomind website](#) and our many free on-line services.... Your purchases keep us going!  
If you find out about a book here, please order it here.

## Information from the Publisher

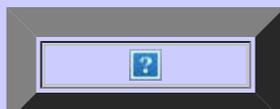

Always supportive

### From the Book Cover

Caption on the back:

#### GROOM LAKE, NEVADA

Area 51, the Ar Force's "Base That Doesn't Exist," lies near the shore of Groom Dry Lake, 90 miles north of Las Vegas. Shrouded in secrecy since the 1950s, Area 51 has inspired movies, TV shows and an assortment of UFO and conspiracy claims. This rare photo was taken in 1994 from Freedom Ridge, an area now closed to the public.
