Explanation of Ratings							
Credibility = Very High: In general, this category is a rating of the author's intellectual discipline and the strength of his argument (which are very high), not the veracity of his claims (which could be false in spite of the strong argument).							
Silliness = Moderate: Although this is a farce, it is a profound one.							

One of the best black comedies of all time, rated by some reviewers as the best film of all time. Set against the stage of the Cold War, this brilliant satire highlights the dangers and absurdities of two nations all too ready to destroy one another. Directed by Stanley Kubrick, with Peter Sellers, George C. Scott, and Slim Pickens.
