	and the dangers of the highly-touted 'new world order'? This book is a veritable gold mine of eye-opening detail. Never has so much compelling evidence been assembled in one volume. Never have the multi-colored strands of the globalist views of the foreign policy establishment been presented in such graphic detail. With prophetic timing, Pat Robertson takes penetrating look at the reality and the rhetoric of the New World Order and gives a compelling assessment of the imminent dangers looming on the world's horizon."
