Let's Go Travel Guides

9 titles below (\$3.00 to \$19.99) including (in alphabetical order):

Let's Go travel guides, produced by college students, are the best source of practical data for budget and backpacking travellers. These manuals normally retail for \$16.99, but we offer this slightly outdated selection of used copies at substantial discount. Let's Go guides are updated annually and contain a lot of specific prices, hours and time-sensitive data, so if you are going to spend a lot of time in one country, we recommend buying a new copy just before you go. In the meantime, these used copies are adequate for planning and dreaming. Unlike our other recommended guides, Let's Go contains no pictures; it just packed with practical data on budget accommodations and how to get around cheaply.

Our price works like this, we start at \$6.00 for the current edition and subtract 50 cents for each past year. (e.g. \$6.00 for 1999; \$5.50 for 1998, etc.) Each book is 500-700 pages.
