The Island of Molokai was once covered by five 7.5 Minute topographic maps. These were consolidated in 1983 into two very large maps covering the east and west halves of the island. You get the entire island at maximum detail for only \$11.00.

Both maps are folded. Since the maps are so large, the folding is a bit awkward and hard to handle, but you get a lot of map for the money.

Scale is 1:25,000 (1" = .4 mile). Both maps are in stock for immediate priority mail shipment.
