Our Review   Opinion of the webmaster, subject to debate

The most detailed topographic map available for the area around Tikaboo peak, the last remaining viewpoint into Area 51. A useful supplement to the Area 51 Viewer's Guide if you plan to hike this mountain. This map is know officially at the Badger Spring (NV) USGS 7-1/2 minute topographic quadrangle. The scale is 1:24000 (1 mile is about 2.5"). The features shown include Tikaboo Peak, Badger Mountain, Badger Spring, Badger Valley and portions of the Pahranagat and East Pahranagat Ranges. Shipped rolled in a tube. -- *Glenn Campbell*

Reservations

These recent features are <u>not</u> shown: (1) the extension of the Badger Valley road about 1/4 mile beyond Badger Spring; (2) the hiking trail up Tikaboo Peak; and (3) the extension of the East Paranagat Range road to meet the Badger Valley road.

Comparison to Other Books

You will still need Area 51 Viewer's Guide for Tikaboo Peak hiking instructions.
