Our Review

Opinion of the webmaster, subject to debate

Through devious intelligence efforts on our part, we are pleased to be able to offer an accurate reproduction of the official patch of the JANET airline, properly known as "EG&G McCarran Operations." With more flights to Area 51 than any other airline (about a dozen roundtrips from Las Vegas every weekday), JANET is sure to have a flight just when you want it. Although the smiling 737 gives a whimsical air to the patch, the mysterious tri-lateral symbol behind it suggests something much more sinister (the EG&G logo). It looks warm and fuzzy, but it's for real! A truly unique Area 51 collectable, available here only. Also available as a 4" decal and a white all-cotton hat with the patch attached. -- *tm/gc*
