Our Review

Opinion of the webmaster, subject to debate

This is the story of Kelly Johnson, the founder of Lockheed Skunkworks and its heart and soul for many years. Johnson oversaw the development of the U-2 and the creation of the Groom Lake base. A high point in the tape is Johnson pointing to a schedule on the blackboard and it clearly shows "On to Area 51".

This catalog provides the sole financial support for the [Ufomind website](#) and our many free on-line services.... Your purchases keep us going!
