Our Review

Opinion of the webmaster, subject to debate

This is a collection of 1,000 irreverent quotations, anecdotes, and interviews about romance, sex and love's myriad delusions. If you're deliriously in love, if you're under the influence of the powerful drug of romantic passion, if your heart fills with joy at the prospect of spending the rest of your natural life with the same person... this book ain't for you. If you are currently "out of love", then you'll find this book refreshing. Maybe love ain't all its supposed to be -- and you're among the lucky ones. -- *tm*

From the Book Cover

"Love ain't nothing but sex misspelled."

- Harlan Ellison

"Romantic love is mental illness. But it's a pleasurable one. It's a drug. It distorts reality, and that's the point of it. It would be impossible to fall in love with someone that you really saw"

- Fran Lebowitz

"The war between the sexes is the only one in which both sides regularly sleep with the enemy."

"I require three things in a man: he must be handsome, ruthless, and stupid."

- Dorothy Parker

"We would have broken up except for the children. Who were the children? Well, she and I were."

- Mort Sahl
