Opinion of the webmaster, subject to debate

Who knows what they are up to, but they are here, and here is a chance to own one. They are always dressed in black and drive outdated yet suspiciously new black Caddies. They are not alien but are not truly human either. Who do they work for? A sinister government agency or the aliens themselves? By extensive, a "man in black" can be anyone who works for the Federal government, be they NSA or BLM, so if you know someone who does, here is the perfect gift. 5" plastic figure wearing the shades and toting the briefcase. -- *Glenn Campbell*
